Sticks and Stones

A stack of jewelers who transform the humble wooden twig into an object of beauty. With an alchemist's touch, twigs are cast in gold, encrusted with gemstones, and ripe for adornment.

CONSTANCE GILDEA AARON HENRY ELISE MORAN

Thomas Blagden

This renowned photographer delights us with exquisite regional photographs. Lushness of verdant moss, shrouds of fog, and grandeur of tree, rock and sea are the subjects of his lens.
