### Pop Culture Collision

What happens when popular culture collides with our best of intentions? Artists give pop culture a black eye with a satirical look at how our society bumps onto our everyday lives. Few of us are immune!

### Thom Heyer and Bill Jordan

In these satirical assemblages, New York artist and actor Thom Heyer draws from the Victorian era sensibilities and redefines them to his own devices. Bill Jordan also draws from the Victorian era, but this award-winning artist recreates sailors' valentines, which are a comment on sensibilities of a bygone time.
