HUGHES-BOSCA

WELLINGTON & COMPANY

CAROLYN MORRIS BACH

Opening Reception Thursday, July 23, 5–7pm

Hughes-Bosca/Carolyn Morris Bach

Two of my favorite designers display rich and luscious gold collections. Bach is a storyteller of ancient secrets, and Hughes-Bosca brings ancient artifacts to life. Bold jewelry that is mystically feminine and resplendent with gemstones.

Digital Collage

Photography is forever changed with the possibilities available to those with digital scissors. These artists rearrange the familiar into unexpected images with a nod to cubism and surrealism.
